WORDS BY HOLLY PRICE

ABERSOCH STYLE

Campervan living is big news here in Abersoch. Countless visitors make their way to our little slice of paradise in 'vans of every make and model, colour and conversion, each one a unique doorway to the wonders of outdoor living. Similarly, plenty of locals enjoy the campervan lifestyle as they explore surf breaks, mountains and rivers far from their Abersoch base in their personalised 'vans.

So we sent passionate 'van-lifer' and Abersoch Life writer Holly Price out to find out more. Here in the first part of an occasional series, Holly introduces us to 'van life' – Abersoch style!
